

2022 CALGREEN MANDATORY ITEMS

Non-Residential Checklist Newly Constructed Buildings

Purpose:

The non-residential provisions of the 2022 California Green Buildings Standards (CalGreen) Code outline planning, design and development methods that include environmentally responsible site selection, building design, building site selection, building design, building siting and development to protect, restore and enhance the environmental quality of the site and respect the integrity of adjacent properties; establishes the means of conserving water used indoors, outdoors and in wastewater conveyance; outlines means of achieving material conservation and resource efficiency; and outlines means of reducing the quantity of air contaminants.

CalGreen §102.2 requires construction documents to be of sufficient clarity to indicate the location, nature and scope of the proposed green building feature and show that it will conform to provisions of code. CalGreen §102.3 requires documentation of conformance for the applicable green building measures shall be provided to the enforcing agency.

Complete and incorporate Parts I to III onto the plans.

In Part I, the owner, design professional or applicant shall fill out project information.

In Part II, the applicant shall indicate which Mandatory Measures are applicable to the project scope in Column 2 by indicating "Yes" or "N/A" for Not Applicable. If "Yes" is indicated in Column 2, the applicant shall indicate in Column 3 the Sheet # and location on plans (e.g. note #, detail #, etc.). Applicant will also include Construction Waste Management Form when required. Note the Construction Waste Management Plan is a separate document.

In Part III, the applicant shall sign and date the Design Verification, indicating that the information placed in the checklist is complete and true. The owner shall sign the Owner's Acknowledgement Statement.

In Part IV, the applicant shall submit the CalGreen Certificate of Conformance to the Inspector PRIOR to the final inspection.

Part I: Project Information

Job Name: _____

Address: _____ Permit Number: _____

APPLICANT (OWNER OR AUTHORIZED AGENT) INFORMATION

Applicant Name: _____ Applicant Phone: _____

Applicant Email: _____

Applicant Type Owner

Authorized Agent

Other: (Please describe: _____)

Part II: Mandatory Requirements Checklist

Instructions: The design professional shall indicate which Mandatory Measures are applicable to the project scope in Column 2 by indicating "Yes" or "N/A" for Not Applicable. If "Yes" is indicated in Column 2, the applicant shall indicate in Column 3 the Sheet # and location on plans (e.g. note #, detail #, etc.)
