

CITY OF TRACY CITY COUNCIL
PUBLIC HEARING

The City of Tracy City Council will conduct a Public Hearing on Tuesday, March 7, 2023, at 7:00 p.m., or as soon thereafter as possible, in the Tracy Council Chambers, 333 Civic Center Plaza, to consider:

Staff recommends that the City Council adopt a resolution approving the temporary closure of Hansen Road for a period of eighteen (18) months within City limits to support the County decision to close the road within County limits for the same period and eliminate any potential traffic safety concerns.

On November 8, 2022, the San Joaquin County Board of Supervisors approved the complete closure of Hansen Road within County limits, north of the Cordes Ranch to through traffic, temporarily for a period of eighteen (18) months with the installation of a fully automated gate for emergency responder access, while County Public Works evaluated the impacts of the temporary closure. This approval was for accommodating the request from the Lammersville Community within the County to address their concern for increased traffic volume, illegal truck usage and speeding going through their neighborhood to and from the City limits. City must implement a closure within City limits of Hansen Road for addressing the traffic safety concerns generated by this County closure and prevent any northbound vehicles with origin from the City, getting stuck at the County closure location. Since the Board approval, County has not implemented the closure and is waiting on City's support for the closure. This agenda item, with City Council approval, will approve a temporary road closure for Hansen Road within City limits for a period of eighteen (18) months to alleviate the traffic safety concerns and support the County Board's decision. This action of implementing the closure of Hansen Road for traffic safety concerns temporarily for 18 months will not pose any environmental impact and is not subject to CEQA. *For more information, contact Anju Pillai at (209)831-6455 or anju.pillai@cityoftracy.org.*
