CITY OF TRACY
PARKS & COMMUNITY SERVICES COMMISSION MEETING
September 7, 2023

AGENDA ITEM 6.a.

REQUEST

REVIEW AND ACCEPT CHANGES TO THE 2024 CITY OF TRACY SPORTS FIELD RESERVATION HANDBOOK

EXECUTIVE SUMMARY

As part of an ongoing review process, staff has updated the City of Tracy Sports Field Reservation Handbook (Attachment A) for use in the upcoming calendar year and Annual Field Allocation Process. The Parks and Community Services Commission is requested to review, provide feedback to staff, and accept changes on the 2024 Handbook.

DISCUSSION

The policy authority provided in the Tracy Municipal Code 7.16.030 (a) states that the Parks and Recreation Commission has the power to “establish rules and regulations governing the conduct of recreation programs, protection of property and activities of persons in all parks.”

The Sports Field Reservation Handbook establishes the guidelines for staff to allocate City-owned and operated sports fields to applicants on an annual allocation basis. The Handbook designates priority classification groups, in-season priority sports, and the Annual Field Allocation process and schedule, in addition to codifying rules and regulations for sports field rentals.

On June 1, 2023, City Staff attended the Parks and Community Services Commission to present the Sports Fields Reservation Handbook Draft for the Commission to review and provide feedback. On June 12 and 13, 2023, City Staff discussed the handbook changes with local sport organizations for their review and feedback during the annual Sports Fields Allocation Meetings. Based off the feedback provided by Parks Commission and local sports organizations, some of the proposed updates to the 2024 Handbook includes:

1. Update user fees to align with the Master Fee Schedule adopted by the Tracy City Council in March 2023
2. Discussion to update the tournament priority process with the completion of Legacy Fields Phase 1E construction
3. Proposing penalties for overbooking or unused hours
4. Proposing to remove COVID-19 language

Overall, the user groups continue to respond positively to the Sports Fields Handbook, with changes in this year's handbook coming directly from suggestions gathered from user groups and the Parks Commission. During the upcoming year, City staff will continue to host sports-specific feedback meetings, in addition to the annual pre-allocation meetings, to ensure the Handbook meets the needs of both the City and its sports user groups.

RECOMMENDATION

That the Parks and Community Services Commission review and accept changes to the 2024 City of Tracy Sports Field Reservation Handbook.

All maintenance and light charges will apply for the time period that the fields were in use. Credits/refunds will not be issued for unused hours that were not caused by rainouts or inclement weather.

Temporary Handbook Changes in Response to Health Pandemics

In an event of a health pandemic, the City of Tracy may pilot various programs at alternative locations (i.e. Plasencia, Baseball Outfields, Legacy Soccer Fields) and will align with the turf management policy (See **Turf Management**, p.18) in order to maintain playable fields. Staff will continue to provide in-season priority to each respective sport but will also seek to accommodate other sports to alleviate schedule compaction issues.

Staff will align with and follow City, County, and State orders and guidelines for use of sports fields which may include but is not limited to mandatory submission of Safety Plans and/or Assumption of Risk Waivers to be kept on file with the City during any type of health pandemic.

ANNUAL FIELD ALLOCATION PROCESS

Each fall, the City of Tracy initiates its annual sports field allocation process for user groups interested in renting fields for the approaching calendar year. Field Allocation Applications can be obtained by contacting the Community Facilities Division at (209) 831-6201, in person at Tracy City Hall, or via email to sportsfields@cityoftracy.org.

Submittal of a Field Allocation Application does not guarantee that the rental request(s) has been authorized. Please remember to include map of planned field lining/subdivisions with dimensions for EACH field when requesting to paint fields.

Live Draft Process

1. Organizations will be prioritized using applications that were submitted by the application deadline (See **Allocation & Scheduling and Field Allocation Priority Classification**, p. 5-6).
2. Organizations will be “capped” on the initial allocation process, only being able to reserve a maximum number of premium field hours based on the prior year’s premium field usage. Organizations are expected to select fields at locations/facilities they reserved in the past unless they are looking to transition to fields that offer different amenities (i.e selecting fields at a complex that has lights where they were at a complex that did not offer lights). Once the initial allocation process has been completed, any open field availability will be allocated on a “first come first serve” basis.
3. Each organization will be given a scheduled time and date to meet with staff virtually or in-person to discuss/allocate fields. A “One Drive” Excel (or public shareable) document will be used as the initial field scheduler to track all organization’s requests. This Excel document will present “real time” field availability and will aid in the tracking of “capping” field usage. A link to the “One Drive” Excel document will be sent to all organizations prior to each live draft.
4. Virtual/In person meeting/invitations for draft time slots for each organization will be sent 1-week prior to each organizations draft time (based on the contact person/information submitted on their application).
5. **Staff will NOT go beyond the allocated time for each organization.** Organizations that do not finalize allocating fields during their scheduled time, will forfeit their priority during allocations.
6. After the Live Draft process, staff will send all organizations a “Draft” permit based on the fields allocated during the live draft for review. Organizations are responsible for reviewing and ensuring their permits are accurate (following the draft, but also throughout the season)

GENERAL FIELD & FACILITY USE POLICIES

Authorized Agent/League Contact

An applicant representing an organization renting a City facility, an authorized agent also known as a league contact, is required to provide a letter on letterhead from the agency or organization specifically authorizing the individual to conduct business with the City of Tracy to reserve a facility on the organization's behalf, and signed by the individual listed on the business license, a titled officer, or designated signatory. The Authorized Agent shall be the single point of contact for City staff. Organizations are allowed up to five (5) authorized agents per organization.

Sports Field Lighting

Sports Organizations will be given access (individual usernames and passwords) to the City's Musco Lighting system at the following locations Legacy Fields, Tracy Sports Complex and Veterans Park. Organizations will be responsible for scheduling their own field light use by calling Musco's automated phone system. When a user group calls Musco Lighting Support Services, (877) 347-3319, they will be directed to provide their username and password and then asked for a time to turn the lights on and off for a specific location and sports field. If sports organizations have issues, they can call the Facility Attendant at their facility or on patrol to assist (See **Contact Information** on p. 3).

At the end of each month City staff will pull the monthly report usage for lights and will charge the user groups appropriately (See **Field Use Fees**, p. 13 for light fees).

Bases

Bases are included in rentals at the Tracy Sports Complex and Legacy Fields. Bases are available for rentals at Ritter Family Ballpark and Veterans Park upon request and receipt of Deposit for Baseball/Softball Bases.

Damages

The renter agrees to reimburse the City for all costs incurred by damages including, but not limited to, the facility, furnishings, fixtures, field turf, additional cleaning required outside of the normal scope for said facility, which occurred in connection with the permitted activity and caused by renter, sponsoring organizations and/or attendees. Clean up of shells from seeds and nuts on fields or in dugouts shall be charged at the Maintenance Worker hourly rate. Reimbursement for such expenses may be deducted from the security deposit.

Equipment Storage

Items are not permitted to be left at or locked to any of the City of Tracy property. The City of Tracy is in no way responsible for storing any items belonging to a renter unless said renter has paid a rental fee for storage space.

Facility Keys

No organization shall be in possession of City keys. Organizations found to be in possession of unreturned keys will be subject to disciplinary action up to and including permit revocation, effective immediately.

Field Lining – Soccer

Access to facilities to line fields must be scheduled in advance with the Community Services Division. (See **Subdivision of Fields** p. 17)

The following conditions have been agreed upon by current soccer user groups for the lining of soccer fields and shall be enforced unless an alternative has been specifically approved in writing by the Director:

- Prior to painting, field diagrams and paint must be submitted and approved by City Staff
- Fields must be lined with approved athletic marking paint only
 - Full-size (11v11) fields shall be marked in WHITE paint
- Modified fields shall be contained fully within a standard full-size field and shall be marked in BLUE or another color with the written approval from City Staff
- All paint dispensers and buckets must be removed from the premises
- Paint shall not be dispensed into the storm drain
- Do not “over line” other prepared lines
- Fields cannot be lined before 3:00 pm on weekdays or when other teams are playing on fields

Please note: failure to comply with established guidelines may result in relocation of fields, suspension of field use, revocation of permit, and/or suspension of organization from City field use Field Preparation Requests – Baseball/Softball

Requests to have City staff line and/or prep baseball/softball fields for games or tournaments must be received by 12:00 noon on the Monday prior to the reservation with a minimum of five (5) business days’ notice. Field maintenance personnel are not available unless previously requested. If field maintenance is requested, ample time must be provided between games for servicing of the fields. Staggered start times for games are required to assure that your maintenance needs are met. Participants are not allowed on the fields until all prep work is complete and equipment is removed.

Premium Fields vs. Standard Fields for Baseball/Softball Rentals

Fields are classified as Premium or Standard Fields depending on the level of service and amenities offered at the facility. Premium baseball/softball fields are located at Legacy Fields and the Tracy Sports Complex. The following Field Preparations are available at Premium Fields:

- Initial field preparation (prep) including a dragging and watering are performed daily for each field
- Bases are included and set-up for each reservation (if requested)
- City Staff (Facility Attendant) is on site and can be reached through phone (See **Introduction** p. 3)
- Use of Legacy Fields and Tracy Sports Complex is **by permit only**. No drop-in use is allowed.

Standard Field Rentals for fields such as Clyde Bland, Galli, Tiago, Veterans Park and Ritter Family Ballpark do not include the same level of service as above. Standard fields do include:

- Daily field inspections by maintenance staff to ensure safe play and fields are prepared routinely when in high use
- Bases are available for rentals at Ritter Family Ballpark and Veterans Park upon request and receipt of Deposit for Baseball/Softball Bases (See **Sports Field User Fees** p. 13).
- City Staff (Facility Attendant - Patrol) is available to assist with issues or questions regarding ballfields or reservations. Renters are encouraged to call the phone number listed on their permit for the Patrol Facility Attendant (See **Introduction** p. 3)

Food & Beverages

Besides concession vendors no *outside food and drink* is permitted at Legacy Sports Complex and Tracy Sports Complex unless specifically designated in writing by City staff. Items that are **not** permitted including: glass containers (TMC 4.16.180(r)), peanuts in shells, sunflower and other seeds in shells. For additional food and beverage services onsite sports organizations can rent the concession stand at Legacy Sports Complex and Tracy Sports Complex or can request/coordinate for food vendors to sell on-site (See **Concessions & Merchandise Sales** p. 19-20). Permit holders must abide by the Rules of Conduct (p. 18-19).

Field Maintenance/Closure

Field conditions are assessed based on both the short-term (Days/Weeks) and the long term (Months/Seasons) impacts to each field's playability. City staff will determine if the fields are open or closed. An annual rest and renovation of fields is scheduled at the Tracy Sports Complex, Plasencia Fields, and Legacy Fields to maintain field sustainability. The City attempts to be flexible in accommodating user groups, but ultimately, the health and safety of the user and the conditions and playability takes priority. This may require the closure of fields or facilities, denial of use of a field, and/or making alternate sites available for use. No user group shall use fields that are closed for renovation or repair.

Foot Protection

Metal cleats are not allowed during softball, baseball, or soccer play at the Tracy Sports Complex, with the exception of men's and women's fast pitch softball. This includes shoes with rounded spikes and detachable football cleats. Sandals, flip-flops, slippers, etc., are not allowed on the playing fields.

Garbage

The City of Tracy provides garbage cans and dumpster(s) at most sport field locations. All renters are responsible for cleaning up debris and trash on all fields and common areas following field use. Any trash left behind by the renter will be picked up by City Staff and labor costs will be deducted from the deposit. Renters may be asked to supply additional dumpsters and trash receptacles based off the number of participants estimated to attend.

Hours of Use

Following Good Neighbor Policy and respecting residential spaces and the community surrounding sport fields, the following hours of use have been established for all sport fields:

Soccer games may be scheduled Sunday through Saturday from 8:00 am until 10:00 pm. Fields may be accessed at 7:00 am for warm-ups, but games cannot begin until 8:00 am.

Softball and baseball games may be scheduled Sunday through Saturday from 9:00 am until 10:00 pm at Tracy Sports Complex and 8:00 AM until 10:00 PM at Legacy Fields Sports Complex. Fields may be accessed upon completion of field preparations and approval of City staff. Teams and players may not be on the field at any time during field preparations or maintenance.

Other sports, games and practices may be scheduled Sunday through Saturday from 8:00 am until 10:00 pm. Fields may be accessed at 7:00 am for warm-ups, but games cannot begin until 8:00 am

Notice of Non-Use of Field/Releasing Fields

Field users must notify the Community Facilities Division to report any reserved time that can be released for general public use or to other groups. Continued non-use of a rented, permitted field may result in revocation of the permit of the allocated field.

Pets & Leashed Animals

Animals must be leashed at all times at City parks and sports fields. Animals may not access fields while games are in play. Dogs are subject to regulations of TMC 5.08.130. Owners are responsible for picking up after their animals while on/in parks, parkways, trails or other public areas. No farm animals as defined by the Tracy Municipal Code are allowed at any park or sports field as regulated by TMC 4.16.180.

Rainouts & Inclement Weather

In the case of active rain, all fields are closed during the time of actual rain; the fields are then reassessed once the rain has ceased. On occasion, on a non-rainy day, staff will determine a field to be closed based on excessive rains during the previous day(s), which have left conditions unsafe for use, even though the rain has stopped. Fields may be closed due to frost or other conditions that may damage the turf or playing surface. Play may be suspended due to excessive heat. The **Weather/Field Condition Hotline: (209) 831-6350** (*typically updated by 3 pm each day*). If a field is closed due to weather, credit for field closures will be applied the following month to organizations account based on the Field Closure Calendar.

Subdivision of Fields

Soccer fields may be subdivided for players ages 12 and under (U12). All requests to subdivide fields **must** be submitted with the Facility Rental Application, and a diagram of the proposed field subdivision must be included. Staff will review the request and will come to a decision based on the impact of wear and tear of the fields (See **Field Lining – Soccer** p. 15).

Soccer user groups have collectively agreed on the following guidelines:

- 9v9 fields must run in the same direction as 11v11 fields
- 7v7 and smaller fields may run in the opposite direction as 11v11 fields

Subleasing of Fields

When permits are issued, a specific field(s) is reserved for the user, to the exclusion of others. Groups may not assign their scheduled time to other groups. Any such action will result in the loss of rental/allocation privileges. Recognizing this exclusivity, groups should only reserve the fields they intend to use.

Turf Management

To ensure the long-term health of City turf and sports fields, the number of games/hours of use at each facility are limited on a seasonal and weekly basis. Without such limitations, the impact on these facilities can have a negative long-lasting effect on the sports fields.

In order to maintain playable fields, fields are limited to no more than 15 hours of field usage per week. In-season field closures may occur if staff determines fields have deteriorated due to wear and tear, or in cases of inclement weather, such as rain or frost. **In preparation for large tournaments, fields will be closed and not scheduled for use the entire week prior to the tournament.**

It is the responsibility of all field users to protect the turf from excessive wear and tear. Users should rotate locations of training and equipment, including but not limited to: ladders, cones, pitching practice, etc. Additionally, users shall not use fences, bleachers or other amenities as targets for practicing or warming up.

RULES OF CONDUCT

Alcohol Consumption/ Public Intoxication

The consumption of alcohol is not allowed in any City sports park or parking lot. As the renter, it is your responsibility to make sure that no alcohol is present during the time of your rental. Those who are witnessed consuming alcohol or who appear to be intoxicated will be asked to leave the premises. The Tracy Police Department may also be notified.

Cooperation with City Staff and Other Field Users

All teams must engage appropriately with staff and with one another, and not interfere with the use of fields by other user groups. Permit holders are responsible for the conduct of their player, coaches, and guests. Refusal to comply with City staff instructions may result in a directive to vacate the field. These actions will be documented in the renter's file and may result in disciplinary action and/or impact future organization allocation or scheduling requests. Police enforcement will be called upon should any individuals or groups engage in verbal or physical violence.

Good Neighbor Policy

Please arrive quietly and depart in the same manner to avoid disrupting the neighborhood especially after the late games. Balls and /or any other equipment thrown, batted, kicked, or otherwise propelled that land on private property are not to be retrieved without permission of property owner. Do not climb walls or enter gates to gain access onto private property. For assistance, contact the Facility Attendant.

Inappropriate Behavior

Any type of indecent exposure including public urination, or any other inappropriate exposure will not be tolerated. Vulgarity of any kind including but not limited to foul or offensive language shall not be used during any time of the duration of the rental. The Tracy Police Department will be contacted immediately should individuals become unruly and further enforcement is needed.

Police Enforcement

If a renter refuses to comply with City Field Rental Policies or follow the request of a City staff member, the Tracy Police Department Dispatch will be notified for assistance. For your own convenience, in the case of an emergency, please call 911. The Tracy Police can also be reached through Tracy Police Department Dispatch, (209) 831-4552.

Parking and Parking Enforcement

It is the renter's responsibility to communicate directions, traffic control, and parking instructions to City Staff and all users and guest. Parking regulations from the Tracy Municipal Code, TMC 3.08 Article 9 are applicable to all Sport Fields. Failure of renter to communicate and manage site parking may result in relocation of fields, suspension of field use, revocation of permit, and/or suspension of organization from City field use.

Decorations and Signage

All decorations and signage must adhere to standards set forth in the Tracy Municipal Code Article 35: Signs. No decorations or signage will be allowed that damage or discolor the facility or grounds. Any special decorations, activities, or amenities must have written approval of the Parks & Recreation Department. Any decorations or signage must be limited to daily reservation times and must be removed each day as noted on the renter's permit unless written permission is granted from the Parks & Recreation Department.

SPECIAL PERMITS & REQUESTS

The following items may require approval from multiple City departments and require an advanced written request to process. Upon approval, City staff will add notes and issue a revised copy of your permit.

Audio/Visual Equipment

The City must be notified via the Tournament Application if the renter wishes to project sound or music from a loud speaker or stereo, have a DJ present at their event, or have lighting/visual media displayed at the event.

Barbecues

The use of barbecues is permitted at sport tournaments but must be requested in writing and added to the Facility Use Permit for all other park/field rentals. All barbecues and/or cooking on site must be approved by Fire Inspection and/or County Health if vending or serving to the public. Barbecues must also be in an approved designated area at least twenty feet from the nearest tent and supervised at all times to prevent injury to bystanders. Use of barbecues at the Tracy Sports Complex is only permitted in the picnic area located in the northwest corner of the complex. Use of barbecues at Legacy Fields is only permitted in specific designated areas. Please contact Community Facilities for more information (209) 831-6200.

Concessions & Merchandise Sales

The sale of items in any City Park is prohibited without a permit from the Community Facilities Division. Users interested in selling merchandise items at a City park or facility, or food and beverages at facilities where no concessions is provided, must request authorization to do so in writing by obtaining a Sports Facility Use Permit for Concession/Vendors from the Community Facilities Division, obtain a City of Tracy Business License (TMC 4.16.140), obtain a health permit, and obtain a product liability endorsement as part of the insurance certificate. For more information on Concessions and Merchandise Sales, please email sportsfields@cityoftracy.org.

Food vendors will be allowed at Premium Sports Fields (i.e Legacy Fields, Tracy Sports Complex, Placentia) and will be reviewed on a case-by-case basis for Standard Fields (i.e Ritter Family Ball Park, Veterans Park, etc). Food Vendors will not be permitted on any site if there are no permitted rentals on a sports field. No selling of food and/or beverages during a rental is permitted without prior written consent of the City.

At Legacy Fields and Tracy Sports Complex, a sign will be provided at each entry gate listing these rules:

- NO outside food or drink permitted inside gates.
- ONE ice chest filled with water may be brought into the facility per team. No other ice chests, coolers, or containers permitted.
- NO alcoholic beverages/intoxication or glass containers on site, including in the parking lot.

Fencing

If a renter would like to acquire additional fencing from an outside contractor, a written request and a drawn schematic showing the proposed placement of the fencing must be issued to the City for approval no later than 20 days prior to the event. Failure to notify the City of outside fencing services will result in the cancellation of the permit. Additional fencing may not be placed at the baseball/softball diamonds at the Tracy Sports Complex or Legacy Fields.

Gate Access

Access to the gated areas at Plasencia Fields and Legacy Fields will be opened 15 minutes prior to permit start time, as a courtesy. Contact the Community Facilities staff for gate access at other times (storage access, etc.).

Parking & Overnight Policy

Unless the Permit expressly allows it, no overnight parking of vehicles in City parking lots is allowed at any time (this includes RVs, trailers, and other camper vehicles). Individuals or organizations cannot charge or collect revenue for the use of public parking. The south parking lot at the Tracy Sports Complex is for emergency vehicle access and use only. Facility gates close nightly when permitted use of the facility ends. Vehicles parked in that area will be towed at the owner's expense. Vehicles parked in City-only parking spots at Tracy Sports Complex will be towed at owner's expense. No person shall stop, stand, or park any vehicle over twenty (20) feet in length in any municipal parking lot, either day or night (TMC 3.08.410). City staff will assist tournament hosts to designate approved parking locations for RVs, campers, school buses, etc.

Tents and Canopies

The use of tents and canopies is permitted at sports tournaments. Per the California Fire Code, no more than seven (7) 10' by 10' tents may be placed adjacent to one another. Please ensure all Fire and Building Code regulations are followed when used.

Restrooms/ Portable Toilets

Restrooms are available for use at many of the City of Tracy's rentable parks. Please remind all of your league participants to use the facilities prior to practice or games, as the restrooms are unlocked at the permitted start time. If restrooms are not available, the individual or organization renting the park is responsible for supplying and maintaining portable toilets for participants and attendees. The City of Tracy requires one portable toilet for every 100 attendees; ADA-accessibility required (staff will advise on required ratios). Contact the Community Facilities Division prior to the delivery of portable toilets to coordinate drop-off with Parks Maintenance staff. Portable toilets must be placed at least 20 feet away from all storm drains and streets, and shall never be situated on top of storm drain inlets or on a public street. Admission Charges

Organizations must indicate on their application their intent to charge admission (additional Gate Fee applies). Because Placencia Fields and the Tracy Sports Complex are public facilities, only participants and spectators can be asked to pay. Individuals using the parks for exercise or access to other areas may not be forced to pay. For soccer and baseball tournaments at Tracy Sports Complex, Legacy Fields, and Placencia Fields, tournaments must reserve the entire complex specific to that sport or the entire set of fields (i.e., Legacy soccer fields 1-4 and/or 5-8, Legacy baseball fields Western #1-5 and/or Eastern #1-5) to be approved to charge an admission fee.

Tournament permit holders at the Tracy Sports Complex ball fields are required to enforce the rules and regulations by posting an organization representative at each entry gate. Should representatives not be provided, the City shall assign City staff and charge the permit holder accordingly (See **Concessions and Merchandise Sales** p. 19-20).

Field Schedule & Use

When scheduling softball events at the Tracy Sports Complex, as the number of fields being used is reduced, the schedule shall ensure that the first field to be vacated will be Diamond No. 4, and the second field vacated will be Diamond No. 3. **Within the Tracy Sports Complex, the soccer fields are not available for softball warm-up. Likewise, the softball fields are not available for soccer warm-up.**

First Aid/Medical Station

All tournaments are required to have a minimum of one first aid station(s) at each site with first aid supplies and certified medical person(s). The number of first aid staff you need depends on the tournament and the number of participants. If you do not have volunteers for this, you may hire EMS event support.

AGENDA ITEM 7.a

REQUEST

STAFF RECOMMENDS THAT THE COMMISSION REVIEW AND APPROVE 1) TRACY HILLS OPEN SPACE IMPROVEMENTS PROPOSAL, AND 2) TRACY HILLS COMMUNITY PARK CONCEPTUAL DESIGN AND MAKE A RECOMMENDATION FOR APPROVAL TO CITY COUNCIL

EXECUTIVE SUMMARY

Integral Communities (Developer) is proposing to build open space improvements and new community park in the Phase 2 area of the Tracy Hills Specific Plan Area. The Phase 2 area is located in south Tracy to the west of Interstate 205 and accessed from Corral Hollow Road. Staff is bringing this item to the Commission as per Chapter 7.16 of the City of Tracy Municipal Code, Parks and Community Services Commission, 7.16.030 Powers and Duties (e) *advise the Council on the subject of recreation and facility master planning and development.*

DISCUSSION

Per the Development Agreement (DA), the Developer was required to submit the Open Space Improvement Proposal for City approval prior to the first tentative subdivision map adjacent to the Open Space Area. The Tracy Hills Community Park Conceptual Design is required to be reviewed and approved by the City Council prior to the City's approval of a final subdivision map for all or any portion of the Property south of Interstate 580. With recent coordination by staff, it came to our attention that these two items while previously submitted and approved by the City Council as a part of a specific plan amendment (Resolution 2021-154) however, both of these items were not reviewed by the Parks and Community Services Commission. The recommendation for approval of these two items falls under the purview of the Parks and Community Services Commission and is consistent with typical best practices for park planning.

Open Space Improvement Proposal

Per Exhibit A the total parcels of open space total approximately 234 acres. Approximately, 80 of those acres will be landscaped and other areas will have a more natural appearance and some areas will have an earthen trail, trail signage, picnic tables, lookout points and fitness stations where possible.

As proposed, the Open Space Improvements Proposal will exceed the required 150-acres. Staff will continue to monitor Phases 3 and 4 of Tracy Hills to ensure that the acreage complies with the DA. Per the obligations of the DA, the Developer is required to spend \$1.5 million on Open Space Obligations. After review of the Open Space Improvements Proposal, which included a detailed cost estimate, the Developer will provide more than the required \$1.5 million in improvements.

Tracy Hills Community Park Conceptual Plan

Per the Development Agreement the Developer shall provide 30 acres of Community Park (half of which is to be built by the Developer and half by the City), which may be split into 2 net usable spaces each being 15 acres and no more than 1,500 feet in separation with a minimum of a 20 feet wide trail. As part of the Specific Plan amendment, the Developer developed a conceptual plan, which is being approved; however, the developer will be working with Parks Planning and Development to update the plan along with developing the masterplan for the second Community Park

Concept plan for the first community park (15 acres) include a yoga lawn, pathways, covered picnic area, outdoor classroom, wiffle cricket, restroom, skate park, dog park, concrete pad for stage, disk golf, natural amphitheater, children's playground, bike racks, fire pits and seating areas. Along with the community park the trail connection is approximately 1200 feet to the next park and approximately 40' wide.

At this time Staff is asking to not approve the Conceptual Design for the City's portion of the 15 acres (second Community Park). The Developer has agreed to provide design for the second Community Park and will be submitted to the Parks and Community Services Commission at a later date.

FISCAL IMPACT

Development of the open space improvements and the first community park and connection is part of the development requirements of the Tracy Hills Phase 2 project. There is no fiscal impact to the General Fund for this item at this time.

RECOMMENDATION

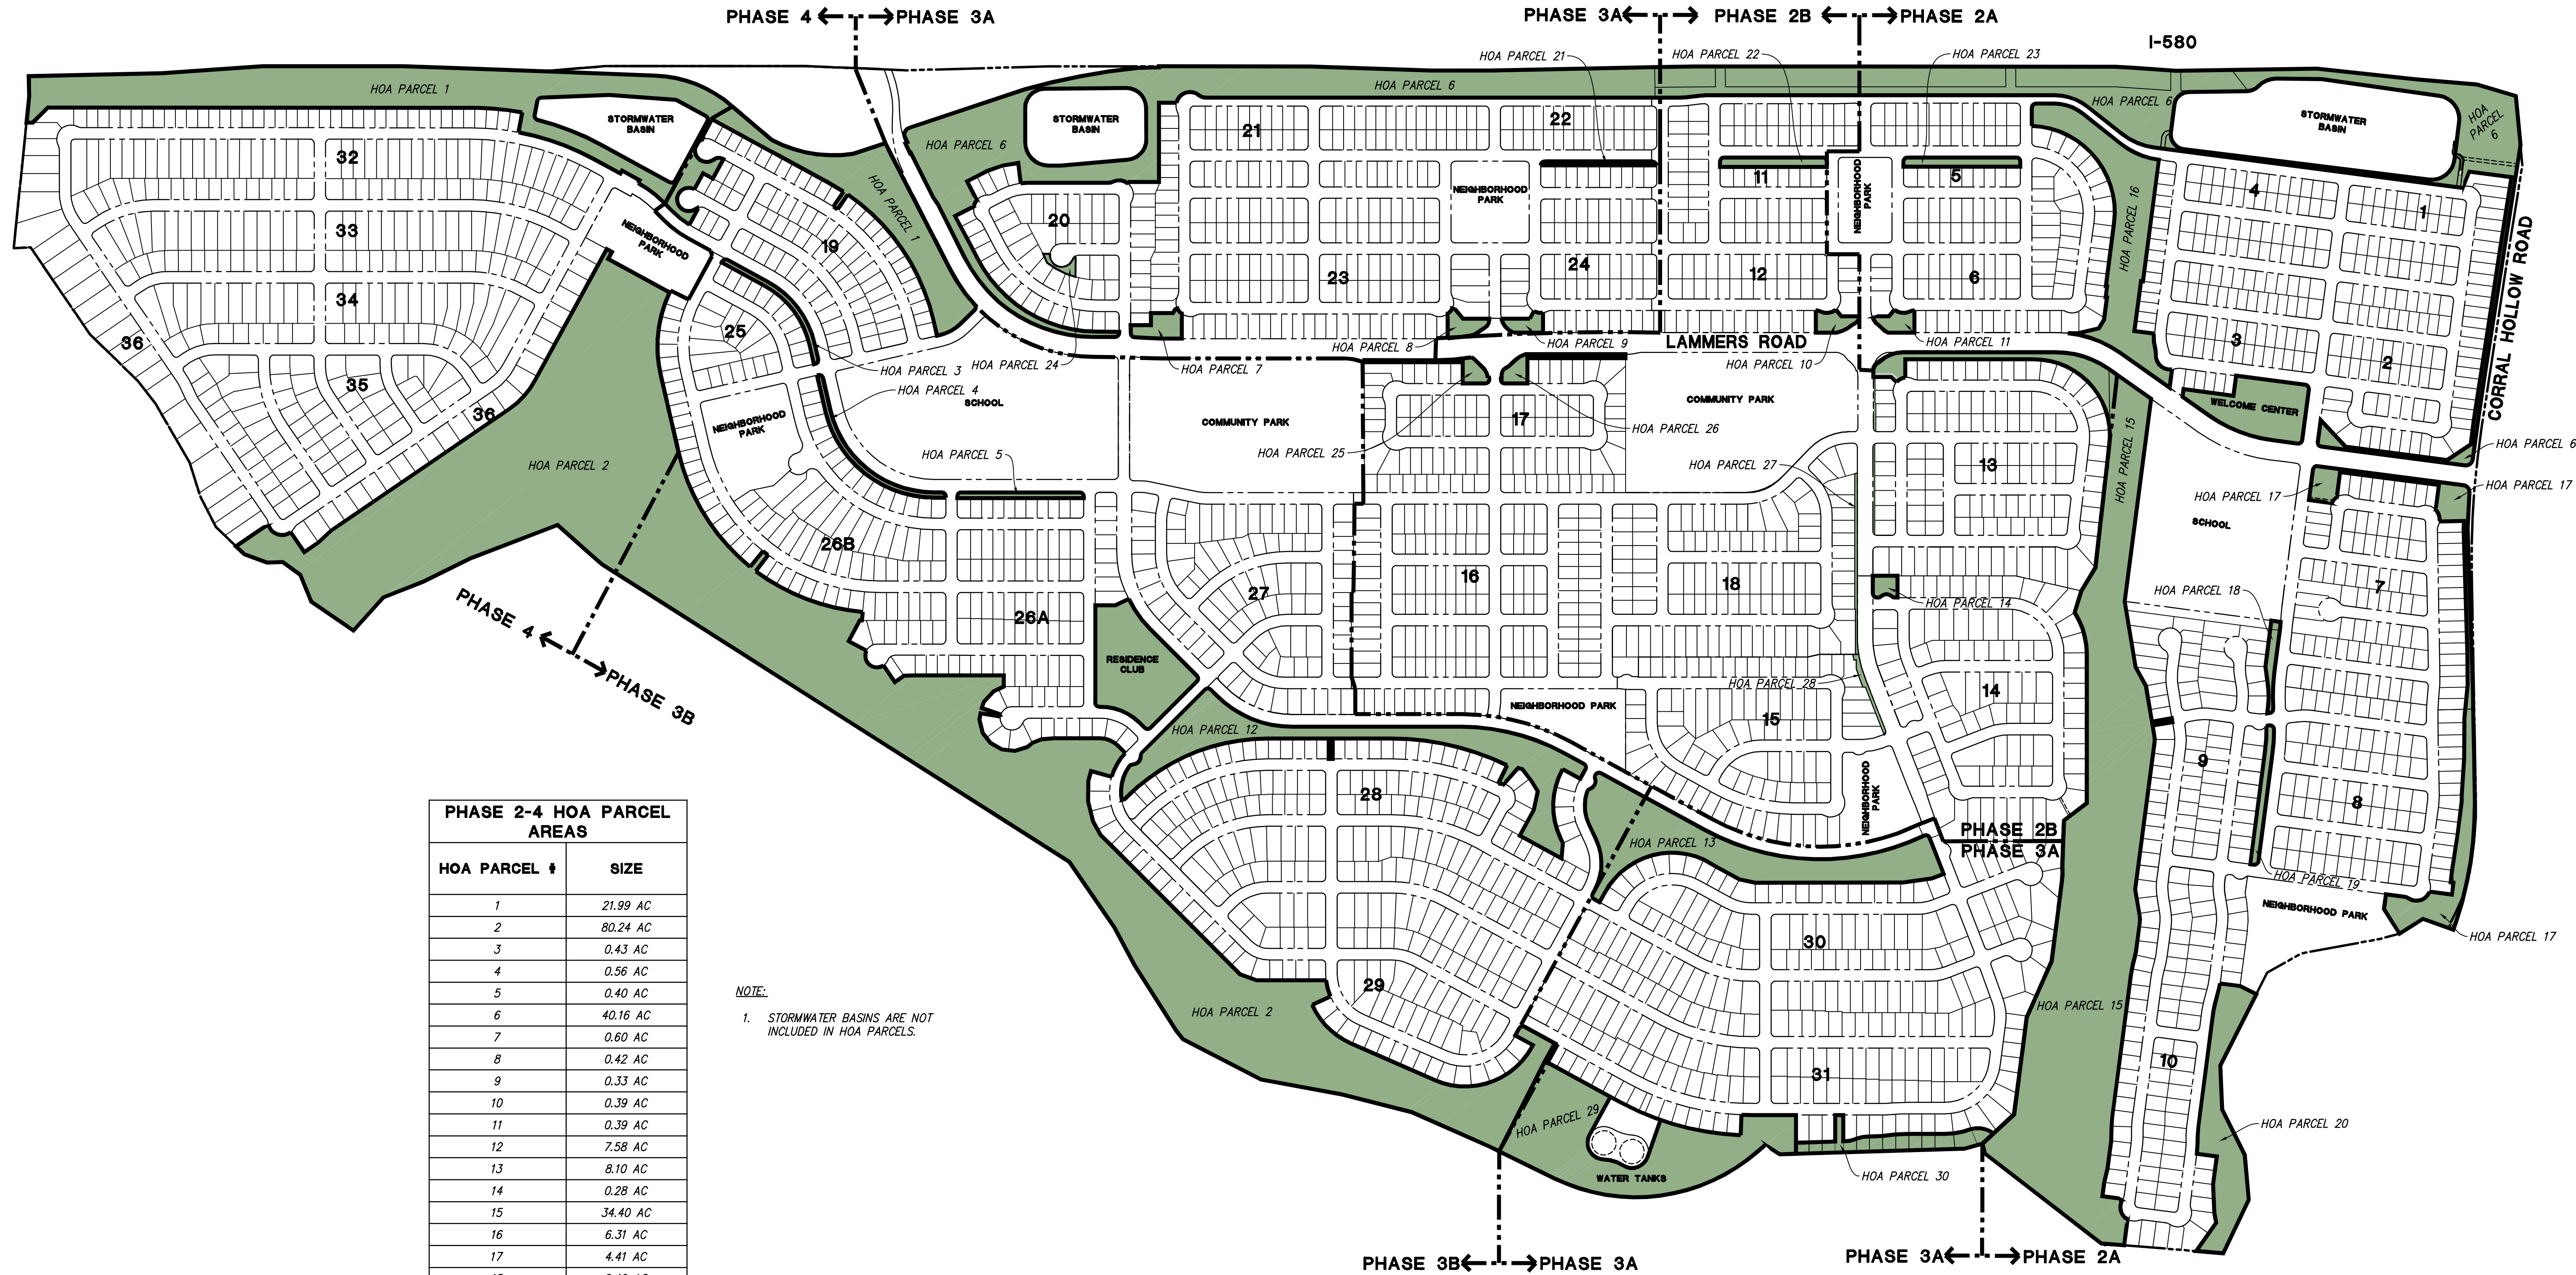

- 1) Staff recommends the Commission review and approve the proposed Tracy Hills Open Space Improvements
- 2) Staff recommends the Commission review and approve the proposed Tracy Hills Phase 2 Neighborhood Park 1 park conceptual master plan.

8/11/2023	<p>Please revisit the change to senior exercise. The current schedule allows 70 participants, is better for room layout, parking and waiting in line. The new schedule allows only 60 participants, poorer room layout, longer waiting in line and worse parking. Parking will also be difficult given the start of high school.</p> <p>An important aspect of senior exercise is its social aspect, the room layout and long lines impact this aspect negatively.</p> <p>Also could some on the staff talk to the assembled groups as to why the change was made and if its cancellations of the change is even possible?</p>	<p>The Senior Center currently offers two, one hour fitness classes with Hayat on Mondays, Wednesdays, and Fridays, at 8:30am and at 10am with a maximum of 35 participants and one, 45-minute class on Thursdays at 9am. The 35-participant limit was a gradual and mutual decision between the City and the instructor due to COVID-19 concerns. Now that COVID-19 is less prevalent in our community, staff and Hayat came to an agreement to try to resume normal programming numbers and utilize the over 1,000 sq. ft renovation/expansion that was completed in 2019. Beginning in September, the Senior Center will be piloting the return of one fitness class on Mondays, Wednesdays, and Fridays that can accommodate up to 60 participants. In addition, Hayat will be expanding to offer an additional chair exercise class on Fridays at 10:15am in September as well. In order to accommodate participants that attend either 8:30am or 10am timeframe, the new class time will be 9:00am. While there may be an impact to the main parking lot on certain days, there is still plenty of space in our back parking lot as well as along East Street near the Tracy Community Center. Many of our other programs/events have well over 60 participants and everyone is able to find parking. However, regardless of the time that the fitness class is offered, there will always be participants who want to arrive early to have certain spots or be a certain number. Moving forward, staff will be observing and taking feedback from participants throughout the Fall before meeting with Hayat to discuss making any changes for the Winter/Spring. A focus group meeting has been scheduled to meet with participants of both the 8:30am class and 10am class for</p>	3 times a week

8/11/2023	This has been my eight years of wonderful experience with Lolly Hansen Senior Center. The main activities I participate in is the Monday, Wednesday, & Friday fitness program conducted by Hayat. She is very inspiring and well prepared instructor. I heard the combination of two classes to over starting September 2023. This may deprive many seniors exercise opportunities. Please reconsider and let the program stay as is.	*See above status	3 times a week
8/11/2023	Upon hearing that exercise will be 60 people, I wish to protest. Room too small to accommodate. Parking lot will not hold enough cars for this.	*See above status. The Senior Center was renovated/expanded in 2019 by over 1,000 sq. ft to accommodate bigger classes/events. Due to COVID and flooring issues, the Senior Center has not been used to it's full capacity.	3 days a week
8/11/2023	The fitness class is very important for seniors who wish to keep active. The change in the fitness class is going to make it more difficult. The first problem is going to be parking. There will be twice as many cars in the lots that already full. Since I usually go to the 10am class, it will be difficult to get there earlier. I will be at risk of being turned away since i can't make it there at 8 or 8:30. And there will be 10 less participants in classes that are usually full. Although that may not be a problem since I have talked to people who will no longer be coming.	Anonymous submission. *See above status
