

3 Steps to Recycling

1. Select It

- Separate items for recycling.
- Only clean items without food residue are accepted.

2. Toss It

- Rinse all bottles, cans, jars, and plastic containers.
- Discard all container caps in your garbage.
- Crush cans and plastics.
- Break down all large items and cardboard boxes.
- Don't cram it!

3. Remove It

- Recycling containers are picked up every other week.
- Place your container at least two feet from other containers or objects.
- The pick-up schedule can be accessed on the City's website.
