- Notes:
- 1) All 2024 fees have been adjusted from 2023 to 2024 by the June Engineering News Record Construction Cost Index for San Francisco (ENR), an increase of 0.001%.
 - 2) Updated Public Safety Fees were adopted on October 1, 2019 through Resolution No. 2019-196. Fees have been adjusted by ENR in 2020, 2021, 2022, 2023, and 2024.
 - 3) The Northeast Industrial Area Future Phases Water and Wastewater Development Impact Fees was established to fund the remaining water distribution and wastewater conveyance facilities required to serve the buildout of NEI. Fees were adopted on November 5, 2019 through Resolution No. 2019-211 and have been adjusted by ENR in 2020, 2021, 2022, 2023, and 2024.
 - 4) Please see the storm drainage shed fee studies for the split between outfall versus program infrastructure.
 - 5) Updated expanded Northeast Industrial Area and Eastside Industrial Area Storm Drainage Fees were adopted on October 2, 2018 through Resolution No. 2018-204. Fees have been adjusted by ENR in 2019, 2020, 2021, 2022, 2023, and 2024.
 - 6) Chrisman & East UR-1 areas has been revised to be incorporated into the expanded Northeast Industrial Storm Drainage Area.
 - 7) Updated Lammers and Mountain House Watershed Storm Drainage Fees were adopted on November 5, 2019 through Resolution No. 2019-217. Fees have been adjusted by ENR in 2020, 2021, 2022, 2023, and 2024.
 - 8) Kagehiro and West Larch Clover only pay the Westside Outfall fee. No additional program infrastructure is required by Kagehiro and the West Larch Clover area is discharged directly to the existing detention basin.
