NOTICE OF AVAILABILITY OF THE CITYWIDE TRANSPORTATION MASTER PLAN DRAFT ENVIRONMENTAL IMPACT REPORT

The City of Tracy has prepared a Draft Environmental Impact Report (EIR) for the Citywide Transportation Master Plan, pursuant to the California Environmental Quality Act (CEQA) and the CEQA Guidelines. The Project is a comprehensive update of the 1994 Tracy Transportation Master Plan (TMP) in fulfillment of Objective CIR-1.1, Action A1 of the Circulation Element of the City of Tracy General Plan (General Plan). The proposed TMP builds upon the goals and objectives contained in the Circulation Element of the General Plan and the City's Sustainability Action Plan. It provides a comprehensive review of the City's transportation system and identifies improvements and expansions to the existing system required to accommodate future growth anticipated by the General Plan. It includes an additional five years of growth beyond the General Plan horizon year to establish consistency with the most recent SJCOG land use development assumptions, employment forecasts, and travel demand model. Using the most recent SJCOG model facilitates a consistent identification of uniform improvements.

A 45-day public review period for the Draft EIR will commence on March 30, 2012 and end on May 14, 2012. Members of the public and other interested agencies and individuals are invited to provide comments on the Draft EIR. Comments on the Draft EIR may be submitted to the City at the address below during the 45-day review period.

The Draft EIR is available on the City's web site (www.ci.tracy.ca.us) and at the City of Tracy's Department of Development and Engineering Services, 333 Civic Center Plaza.

CONTACT INFORMATION:

Bill Dean, Assistant Development and Engineering Services Director, City of Tracy, 333 Civic Center Plaza, Tracy, CA 95376, 209-831-6400, fax 209-831-6439.
