I. INTRODUCTION

City of Tracy Community Facilities District No. 99-1 (Northeast Industrial Area)

On December 7, 1999, the City Council of the City of Tracy (the “City”) established Community Facilities District No. 99-1 (Northeast Industrial Area). In a landowner election held on the same day, the qualified landowner electors within the CFD authorized the levy of a Mello-Roos special tax on property within CFD No. 99-1. Property in the CFD consists of a portion of Northeast Industrial Area, which includes approximately 870 acres located along the northeast boundary of the City. The CFD represents the first phase of development in the Northeast Industrial Area and consists of approximately 274 total gross acres, of which 236 acres are considered taxable property.

The types of facilities to be funded by special tax revenues include water facilities, wastewater facilities, and other public infrastructure improvements for the benefit of CFD No. 99-1.

The Mello-Roos Community Facilities Act of 1982

The reduction in property tax revenue that resulted from the passage of Proposition 13 in 1978 required public agencies and real estate developers to look for other means to fund public infrastructure. The funding available from traditional assessment districts was limited by certain requirements of the assessment acts, and it became clear that a more flexible funding tool was needed. In response, the California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982, which provides for the levy of a special tax within a defined geographic area, namely a community facilities district, if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities, and special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency’s general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This CFD Tax Administration Report (the “Report”) presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2020-21 special tax levy for CFD No. 99-1. The Report is intended to provide information to interested parties regarding CFD No. 99-1, including the current financial obligations of the CFD, special taxes to be levied in fiscal year 2020-21, and development status of the district.

The remainder of the Report is organized as follows:

- **Section III** identifies financial obligations of CFD No. 99-1 for fiscal year 2020-21.
- **Section IV** provides a summary of the methodology that is used to apportion the Special Tax among parcels in CFD No. 99-1.
- **Section V** summarizes the status of development within CFD No. 99-1.
- **Section VI** describes Special Tax prepayments that have occurred in the CFD, if any.
- **Section VII** provides information on state reporting requirements.

III. SPECIAL TAX REQUIREMENT

Special taxes for CFD No. 99-1 are levied pursuant to the methodology set forth in the Rate and Method of Apportionment of Special Tax (“RMA”), which was adopted as an exhibit to the Resolution of Formation of CFD No. 99-1. The amount of the Special Tax levied in any fiscal year is determined through the application of the Special Tax Requirement. *(Unless otherwise indicated, capitalized terms are defined in the RMA in Appendix C.)*

Special Tax Requirement

The Special Tax Requirement is defined as the amount that must be levied in any fiscal year to: (i) pay principal and interest on Bonds, (ii) create or replenish reserve funds, (iii) cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior fiscal year or (based on delinquencies in the payment of Special Taxes which have already taken place) are expected to occur in the fiscal year in which the tax will be collected, (iv) to pay administrative expenses, and (v) construction expenses to be funded directly from special tax proceeds. For fiscal year 2020-21, the Special Tax Requirement is \$673,214. The calculation of the Special Tax Requirement is shown in the following table.

**Community Facilities District No. 99-1
Special Tax Requirement*
Fiscal Year 2020-21**

Debt Service		\$651,225
March 1, 2021 Interest Payment	\$53,113	
September 1, 2021 Interest Payment	\$53,113	
September 1, 2021 Principal Payment	\$545,000	
Administrative Expenses		\$21,989
District Administration	\$5,000

IV. SPECIAL TAX LEVY

Special Tax Categories

Special taxes within CFD No. 99-1 are levied pursuant to the methodology set forth in the RMA. Among other things, the RMA establishes criteria for taxable property against which the special tax may be levied, the maximum special tax, and the methodology by which the special tax is applied. For each Fiscal Year, all Taxable Property within CFD No. 99-1 shall be classified as either Developed Property or Undeveloped Property and shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Section C and D in the RMA.

Maximum Special Tax Rate

The maximum special tax applicable to Taxable Property in CFD No. 99-1 is set forth in Section C of the RMA. The percentage of the maximum special tax rates that will be levied on each parcel in fiscal year 2020-21 is determined by the method of apportionment included in Section D of the RMA. The table in Appendix A identifies the fiscal year 2020-21 maximum special tax rates and actual special tax rates for taxable property in the CFD.

Apportionment of Special Taxes

Each fiscal year, as set forth in Section D of the RMA, the Administrator shall determine the Special Tax Requirement and shall levy the Special Tax as follows:

- 1) The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property that is neither Owner Association Property nor Public Property up to 100% of the Maximum Special Tax for Developed Property, as determined by reference to Section C.1. in the RMA.
- 2) If additional monies are needed to satisfy the costs of the Special Tax Requirement after the first step has been applied, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property that is neither Owner Association Property nor Public Property up to 100% of the Maximum Special Tax for Undeveloped Property, as determined by reference to Section C.2. in the RMA.
- 3) If additional monies are needed to satisfy the costs of the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Owner Association Property, using the Maximum Special Tax rate for Undeveloped Property, as determined by reference to Section C.2. in the RMA.
- 4) Finally, if additional monies are needed to satisfy the costs of the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied

Proportionately on each Assessor's Parcel of Public Property that is Taxable Property, using the Maximum Special Tax rate for Undeveloped Property, as determined by reference to Section C.2. in the RMA.

The special tax roll, which identifies the special tax to be levied against each parcel in CFD No. 99-1 in fiscal year 2020-21, is provided in Appendix B.

V. DEVELOPMENT STATUS

As of June 30, 2020, a total of 9 parcels within CFD No. 99-1 are considered Developed Property. Based on the current status of development in CFD No. 99-1, the following table summarizes the allocation of acreage to the special tax categories established in the RMA:

**Community Facilities District No. 99-1
Allocation to Special Tax Categories
For Fiscal Year 2020-21**

Type of Property	Number of Acres
Developed Property	143.4 Acres
Undeveloped Property	84.8 Acres
Public Property	7.7 Acres

VI. PREPAYMENTS

As of June 30, 2020, no property owner in CFD No. 99-1 has prepaid his/her special tax obligation.

VII. STATE REPORTING REQUIREMENTS

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

APPENDIX C

Rate and Method of Apportionment of Special Tax

EXHIBIT B

CITY OF TRACY COMMUNITY FACILITIES DISTRICT NO. 99-1 (Northeast Industrial Area)

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

A special tax applicable to each Assessor's Parcel in Community Facilities District No. 99-1 (Northeast Industrial Area) (herein "CFD No. 99-1") shall be levied and collected according to the tax liability determined by the City Council of the City of Tracy, through the application of the appropriate amount or rate for Taxable Property, as described below. All of the property in CFD No. 99-1, unless exempted by law or by the provisions of Section E below, shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed into CFD No. 99-1 unless a separate Rate and Method of Apportionment of Special Tax is adopted for the annexation area.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Acre or Acreage" means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map, parcel map, or other recorded County parcel map.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2 of Title 5 of the Government Code of the State of California.

"Assessor's Parcel" or "Parcel" means a lot or parcel shown on an Assessor's Parcel Map with an assigned APN.

"APN" means the Assessor's Parcel number assigned by the San Joaquin County assessor to designate an individual Parcel on an Assessor's Parcel Map.

"Assessor's Parcel Map" means an official map of the County Assessor of the County of San Joaquin designating Parcels by APN.

"Bonds" means any bonds or other debt (as defined in Section 53317(d) of the Act), whether in one or more series, issued by CFD No. 99-1 under the Act.

"City" means the City of Tracy.

"City Manager" means the City Manager of the City of Tracy.

"Council" means the City Council of the City of Tracy, acting as the legislative body of CFD No. 99-1.

"Developed Property" means, in any Fiscal Year, all Taxable Property for which a construction building permit, in addition to a grading permit, was issued prior to July 1 of that Fiscal Year.

"Facilities" means the public improvements defined as Facilities in the Resolution of Intention.

"Fiscal Year" means the period starting July 1 and ending on the following June 30.

"Maximum Special Tax" means the maximum Special Tax, determined in accordance with Section C, that can be levied in any Fiscal Year.

"Owner Association Property" means any property within the boundaries of CFD No. 99-1 owned by a homeowner association or property owner association, including any master or sub-association.

"Proportionately" means, for Developed Property, that the ratio of the actual Special Tax levy to the Maximum Special Tax is equal for all Assessor's Parcels of Developed Property. For Undeveloped Property, "Proportionately" means that the ratio of the actual Special Tax levy to the Maximum Special Tax is equal for all Assessor's Parcels of Undeveloped Property.

"Public Property" means any property within the boundaries of CFD No. 99-1 that is owned by the federal government, State of California, or other local governments or public agencies.

"Resolution of Intention" means the Resolution of Intention to Establish a Community Facilities District approved by the Council on October 5, 1999.

"Special Tax" means any special tax to be levied each Fiscal Year on Assessor's Parcels of Taxable Property to fund the Special Tax Requirement. The Special Tax shall be applied to pay for debt service on outstanding Bonds or directly for the Facilities, including appurtenant expenses such as design, engineering, inspection, and financing costs.

"Special Tax Requirement" means the amount necessary in any Fiscal Year (i) to pay principal and interest on Bonds, (ii) to create or replenish reserve funds, (iii) to cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior Fiscal Year or (based on delinquencies in the payment of Special Taxes which have already taken place) are expected to occur in the Fiscal Year in which the tax will be collected, (iv) to pay administrative expenses of the CFD, and (v) to pay construction expenses to be funded directly from Special Tax proceeds.

“Square Foot”, “Square Footage”, or “Square Feet” means the square footage reflected on the original construction building permit issued for construction of a residential or non-residential building.

“Taxable Property” means all of the Assessor's Parcels within the boundaries of CFD No. 99-1 which are not exempt from the Special Tax pursuant to law or Section E below.

“Undeveloped Property” means all Taxable Property in CFD No. 99-1 not classified as Developed Property.

B. ASSIGNMENT TO LAND USE CATEGORIES

For each Fiscal Year, all Taxable Property within CFD No. 99-1 shall be classified as either Developed Property or Undeveloped Property and shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Sections C and D below. If a construction building permit has been issued for development of a structure on an Assessor's Parcel in the CFD, and additional structures are anticipated to be built on the Parcel as shown on the approved site plan for such Parcel, a portion of the Acreage of the Assessor's Parcel shall be taxed as Undeveloped Property if building permits for all of the structures in the approved site plan for the Assessor's Parcel were not issued as of July 1 of the Fiscal Year in which the Special Taxes are being levied. If the Acreage assigned to each building anticipated on the Assessor's Parcel is not clearly delineated on a subdivision map, the Acreage of the portion of the Assessor's Parcel to be taxed as Developed Property shall be equal to the structure's pro rata share of the total Square Footage anticipated on the Assessor's Parcel, as determined by the City, multiplied by the total Acreage of the Assessor's Parcel. The remaining Acreage within the Assessor's Parcel shall be taxed as Undeveloped Property. Determination of the amount of Developed Property and Undeveloped Property on an Assessor's Parcel shall be at the sole discretion of the City.

C. MAXIMUM SPECIAL TAX

1. Maximum Special Tax, Developed Property

The Fiscal Year 2000-01 Maximum Special Tax for Developed Property in the CFD is \$3,010 per Acre. On each July 1, commencing July 1, 2001, the Maximum Special Tax for Developed Property for the Fiscal Year commencing such July 1 shall be increased by two percent (2%) of the respective Maximum Special Tax in effect in the previous Fiscal Year.

2. Maximum Special Tax, Undeveloped Property

The Fiscal Year 2000-01 Maximum Special Tax for Undeveloped Property is \$3,210 per Acre. On each July 1, commencing July 1, 2001, the Maximum Special Tax for

Undeveloped Property for the Fiscal Year commencing such July 1 shall be increased by two percent (2%) of the respective Maximum Special Tax in effect in the previous Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2000-01 and for each following Fiscal Year, the City Manager or his/her designee shall determine the Special Tax Requirement to be collected from Taxable Property in CFD No. 99-1 in the Fiscal Year. The Special Tax shall then be levied as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property that is neither Owner Association Property nor Public Property up to 100% of the Maximum Special Tax for Developed Property, as determined by reference to Section C.1. above;

Second: If additional monies are needed to satisfy the costs of the Special Tax Requirement after the first step has been applied, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property that is neither Owner Association Property nor Public Property up to 100% of the Maximum Special Tax for Undeveloped Property, as determined by reference to Section C.2. above;

Third: If additional monies are needed to satisfy the costs of the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Owner Association Property, using the Maximum Special Tax rate for Undeveloped Property, as determined by reference to Section C.2. above; and

Fourth: If additional monies are needed to satisfy the costs of the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Public Property that is Taxable Property, using the Maximum Special Tax rate for Undeveloped Property, as determined by reference to Section C.2. above.

E. LIMITATIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Taxes shall be levied on the first 27.40 Acres of property that becomes Public Property within CFD No. 99-1. Parcels or portions of Parcels that become Public Property after a total of 27.40 Acres of Public Property have been designated within CFD No. 99-1 shall be subject to the levy of Special Taxes pursuant to the authority provided in Sections 53317.3 and 53317.5 of the Act. In any event, no Special Taxes shall be

levied on Public Property or Owner Association Property unless it is necessary to satisfy the Special Tax Requirement pursuant to Section D above.

F. APPEALS AND INTERPRETATIONS

Any landowner, any lessee or holder of a possessory interest in Public Property which is Taxable Property, and any lessee on a triple net lease may file a written appeal of the calculation of the Special Tax on its property with the City Manager or his/her designee, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the calculation of the Special Tax is in error. The City Manager or his/her designee shall review the appeal, meet with the appellant if the City Manager or his/her designee deems necessary, and advise the appellant of its determination. If the City Manager or his/her designee agrees with the appellant, the City Manager or his/her designee shall make a recommendation to the Council to reduce the Special Tax on the appellant's property or to provide a refund to appellant. The approval of the Council or its designee must be obtained prior to any such reduction or refund. If the City Manager or his/her designee disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Council by filing a written notice of appeal with the City Clerk, provided that appellant is current in his/her payments of the Special Taxes. The appeal to the City Council must specify the reasons for its disagreement with the City Manager or his/her designee's determination. The City Clerk shall schedule the appeal to be heard before the Council or an appeals board designated by the Council.

Interpretations may be made by the City Manager or his/her designee for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment and, subject to the foregoing appeals process, such interpretation shall be final and conclusive. The appeal process shall be conducted in substantial conformance with Tracy Municipal Code Section 1.12.

G. MANNER OF COLLECTION

The Special Taxes will be collected in the same manner and at the same time as ordinary ad valorem property taxes; provided, however, that prepayments are permitted as set forth in Section H below and provided further that the City Manager or his/her designee may directly bill the Special Taxes and may collect Special Taxes at a different time or in a different manner as set forth in the proceedings for the formation of the CFD No. 99-1.

H. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section H:

"Remaining Facilities Costs" means the Public Facilities Requirements minus public facility costs funded by Outstanding Bonds, developer equity, and/or any other source of funding.

"Outstanding Bonds" means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied or already paid, with respect to an Assessor's Parcel making a prepayment, and a portion of the Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the City Manager or his/her designee), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of **"Outstanding Bonds"** for purposes of this prepayment formula.

"Prepayment Date" means the first business day which is: (i) 30 days after the City's receipt of a complete signed and written notice of intent to prepay from the property owner; and (ii) 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

"Previously Issued Bonds" means all Bonds that have been issued by or on behalf of CFD No. 99-1 prior to the date of prepayment.

"Public Facilities Requirements" means \$7,195,000 in 1999 dollars, which shall increase by four percent (4%) on January 1, 2000, and on each January 1 thereafter.

The Special Tax obligation applicable to each Assessor's Parcel in CFD No. 99-1 may be prepaid and the obligation of the Assessor's Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay the Special Tax with respect to a specified Assessor's Parcel. The Prepayment Amount shall be calculated by the City as of the Prepayment Date. In the event that the property owner fails to pay the Prepayment Amount by no later than 75 days prior to the next succeeding redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes, the property owner shall not be entitled to prepay the Special Tax unless a subsequent written notice of intent to prepay is provided to the City by the property owner. After receipt of a subsequent written notice of intent to prepay, the City shall recalculate the Prepayment Amount pursuant to the requirements set forth herein. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor's Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of prepaid Special Taxes.

The Prepayment Amount shall be calculated as follows (capitalized terms as defined below):

	Bond Redemption Amount (Step 3)
plus	Remaining Facilities Amount (Step 5)
plus	Redemption Premium (Step 6)
plus	Defeasance (Step 9)
plus	Administrative Fees and Expenses (Step 10)
less	<u>Reserve Fund Credit (Step 11)</u>
equals	Prepayment Amount (Step 12)

As of the Prepayment Date, the City shall calculate the Prepayment Amount by application of the following steps:

Step Number:

1. As of the Prepayment Date, compute the Maximum Special Tax that could be collected from the specified Assessor's Parcel in the Fiscal Year in which prepayment would be received by the City.
2. As of the Prepayment Date, divide the Maximum Special Tax computed pursuant to Step 1 for the specified Assessor's Parcel by the Maximum Special Taxes that can be collected within the entire CFD in the Fiscal Year of the Prepayment Date.
3. Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "*Bond Redemption Amount*").
4. Compute the current Remaining Facilities Costs (if any).
5. Multiply the quotient computed pursuant to Step 2 by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid. The amount calculated pursuant to this Step 5 shall be referred to as the "*Remaining Facilities Amount.*"
6. Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed. The amount calculated pursuant to this Step 6 shall be referred to as the "*Redemption Premium.*"
7. Compute the amount needed to pay interest on the Bond Redemption Amount from the last date on which interest was paid on the Outstanding Bonds until the earliest redemption date for the Outstanding Bonds.

8. Compute the amount the City or its designee reasonably expects to derive from the reinvestment of the Bond Redemption Amount plus the Redemption Premium until the redemption date for the Outstanding Bonds that the City or its designee expects to redeem with the prepayment.
9. Take the amount computed pursuant to Step 7 and subtract the amount computed pursuant to Step 8. The amount calculated pursuant to this Step 9 shall be referred to as the "*Defeasance*."
10. The administrative fees and expenses of CFD No. 99-1 are as calculated by the City and include the costs of computing the prepayment, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "*Administrative Fees and Expenses*").
11. A reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "*Reserve Fund Credit*").
12. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11. The amount calculated pursuant to this Step 12 shall be referred to as the "*Prepayment Amount*".

I. ANNEXATION CATCH-UP TAX

If property annexes into CFD No. 99-1 in any future Fiscal Year, such property shall be subject to a one-time "Annexation Catch-up Tax" that shall become due and payable immediately upon the effective date of annexation. The Annexation Catch-up Tax shall be calculated according to the following steps:

- (i) Missed Special Tax Payments - the amount of Special Tax that would have been levied each year on the property had the property been included in CFD No. 99-1 at the time that it was initially formed shall be identified. Such amounts shall be determined by evaluating the amounts that would have been levied in each prior Fiscal Year pursuant to Section D.
- (ii) Interest Carry - the amounts calculated in (i) above shall be increased each year at a rate equal to the average coupon rate for all outstanding Bonds from the first Fiscal Year in which Special Taxes were levied on behalf of CFD No. 99-1 through and including the Fiscal Year in which the Annexation Catch-up Tax is being calculated (unless the Annexation Parcel is to be included on the tax roll for the Fiscal Year in which the Annexation Catch-up Tax is being calculated).
