AGENDA ITEM NO. 5-A

REQUEST

GROWTH MANAGEMENT BOARD DETERMINATION OF ALLOCATION OF RESIDENTIAL GROWTH ALLOTMENTS FOR USE IN CALENDAR YEAR 2013

DISCUSSION

This is a meeting of the Growth Management Board (GMB), and a public hearing to determine if the applicant qualifies for allocation of new Residential Growth Allotments (RGAs) and possible allocation of RGAs.

On October 16, 2012, the City Council adopted revisions to the Growth Management Ordinance (GMO) Guidelines. Included in these revisions is a provision that applications for RGAs can be filed at any time in calendar years 2013 and 2014, and that the Growth Management Board (GMB) will meet as needed in response to any applications received. Three applications have been submitted for RGAs thus far in 2013. One application was processed and RGAs allocated for an apartment project in March of this year. One application is being considered at this time as the project was recently approved, and one is ineligible at this time because the project is not yet approved (per Section C.2 of the GMO Guidelines, Application and Eligibility Requirements). The project qualified to receive an allocation of RGAs is summarized below.

Priority Area Project

The City received one application for RGAs within the Priority Area that is eligible to receive RGAs.

RGA12-0001 – Standard Pacific Homes – Muirfield 7 Phase 3 – 8 RGAs

The project is located at the southern end of Gibson and Alhambra Courts, north of and adjacent to Starflower Drive, and will be constructed with 8 single-family homes (Attachment A).

The Planning Commission approved the tentative subdivision map on April 10, 2013. The RGA application was submitted in 2012, in anticipation of the map approval and construction in 2013.

RECOMMENDATION

Staff recommends that the Growth Management Board allocate 8 RGAs to the Muirfield 7 Phase 3 project, in compliance with the GMO Guidelines.
