Electronic Waste Recycling

The City of Tracy hosts quarterly electronic waste (E-Waste) recycling events for the residents and businesses of the community. The City contracts with Onsite Electronics Recycling for our events to ensure that the material is processed and recycled properly. Onsite is e-Steward Certified, which means they meet the most rigorous standards of environmental and social responsibility.

Onsite Electronics collects and recycles unwanted and non-functional electronics and universal waste. Onsite provides for the complete recycling of all end-of-life material collected. They do not ship any whole units overseas or out of State for recycling. This provides our customers with the security that their materials are being managed in an environmentally safe manner and they are not contributing to environmental harm in developing Countries.

The following describes the outlets for all materials generated in the recycling process:

Cathode Ray Tubes >> New Cathode Ray Tube Monitors

Ferrous metals >> Steel Mill

Non-Ferrous metals >> Smelter

Circuit Boards >> Smelter

Plastics >> Recycled

Batteries >> Recycled

Mercury Switches >> Recycled

Wood >> Recycled

2015 E-Waste Events

Boyd Service Center	◆ January 10th
520 Tracy Blvd. Gate #1	◆ April 11th
9:00am—1:00pm	◆ July 11th
	◆ October 10th

FOG Program (Fats, oil, grease)

Keep oil and grease out of your sinks and drains. Cooking oil and grease can clog your pipes, as well as the City sewer lines. It is important that everyone tries to protect our sewer system as cleaning and repairs can be costly for the City and for you. Scrape all fats and grease into the garbage and collect cooking oil for disposal at Tracy Materials Recovery at 30703 S. MacArthur Dr., Tracy. Residents can drop off up to 5 gallons per month FREE of charge. For questions or more information, please call (209) 831-4490.

Illegal Dumping

Illegal dumping is a serious issue that can affect your safety, your community, and environment.

The City of Tracy needs community support in helping to eliminate illegal dumping. Please report any illegal dumping to deter future dumping. Keep in mind, illegal dumpers generally choose secluded, unused areas where public visibility may be limited.

Illegal dumping is a crime and must be reported immediately. Ways to report a problem:

- **Illegal dumping, blighted conditions, and graffiti on private property:**
Code Enforcement: (209) 831-6410
- **Illegal dumping, blighted conditions and graffiti on public property:**
Graffiti Hotline (209) 831- 6583
Main line: (209) 831-6300
- All requests can also be reported through the City website at www.user.govoutreach.com/tracy/

You can also report a problem such as illegal dumping and blight by downloading the GORquest App on any smart phone.

Anyone found to be illegally dumping trash or other items can be prosecuted to the fullest extent of the law. It is also critical that you know the legal way to handle your discarded materials.

Garbage & Recycling Services

Recycling today for a cleaner tomorrow!

Garbage Service

The City of Tracy maintains a franchise agreement with Tracy Delta Solid Waste Management, Inc. (Tracy Disposal) for all solid waste services. The RESIDENTIAL program includes waste removal, curbside recycling collection, and yard waste removal. The COMMERCIAL and INDUSTRIAL programs offer a wide variety of debris boxes and compactors for waste removal and custom tailored recycling programs.

Garbage is collected in the **green bin** once a week. Bins must be placed in the street with wheels against the curb by 4 am on your garbage collection day. Lids must be closed.

Please ensure that bins are at least 3 feet away from each other.

The following items **are not accepted** in your garbage:

- ✓ Household Hazardous Waste
- ✓ Construction Debris
- ✓ Computer Systems
- ✓ Electronics
- ✓ Dirt/Rocks
- ✓ Tires

All bins must be placed behind a gate or at the side of the garage within 24 hours after pickup per Tracy Municipal Code 5.20.200.

Special Collections

For extra garbage pick up or for bulky item removal, please call Tracy Delta Disposal at (209) 835-0601. Fees apply for all special collections. Residents are allowed one free pickup per year. For more information on the program visit www.RecycleInsideTheTriangle.com and click the annual residential cleanup program link.

For further information regarding upcoming events, please call (209) 831-6362 or visit the City's recycling website at: www.RecycleInsideTheTriangle.com.

Curbside Recycling

All-in-one, no separation needed!

The **blue recycling bin** should be placed along the curb by 4 am every other week for collection, alternating with the yard waste bin. Blue bins should be placed 3 feet from your garbage bin. Recyclable materials are collected with a different truck than your regular garbage, therefore, it is collected at a different time of day.

Place all the following items directly in your blue recycling bin:

- ✓ Glass bottles and jars
- ✓ Aluminum, steel, and tin cans
- ✓ Plastic containers and bottles
- ✓ Newspaper
- ✓ Corrugated cardboard and shoe boxes
- ✓ Polystyrene (#6)
- ✓ Frozen food boxes, cereal boxes, pizza boxes, junk mail, magazines, catalogs, and phone books
- ✓ Colored paper, paper bags, and envelopes
- ✓ Computer paper, paper (binder, school, and craft)
- ✓ Wrapping paper without foil

DO NOT place the following in the blue bin:

- ✓ Plastic bags and film
- ✓ Foil lined boxes, paper, or plastics
- ✓ Light bulbs
- ✓ Window panes, pyrex glass, mirrors, drinking glasses, and ceramics
- ✓ Clothing
- ✓ Motor oil containers
- ✓ Household hazardous waste or electronics
- ✓ Packaging peanuts

Garbage, recycling, and yard waste will not be collected on Thanksgiving, Christmas, and New Year's Day. Instead, collection will take place the following day.

HOLIDAY TREE RECYCLING

Trees are picked up curbside beginning December 26th through the first week in January on your regular collection day. No flocking, tinsel, ornaments, nails, or stands.

Yard & Garden Waste

Residential yard and garden debris is collected in the **brown bin**. Yard waste should be placed along the curb by 4 am every other week alternating with the recycling bin. Brown bins should also be placed 3 feet from your garbage bin.

Loosely place your grass clippings, leaves, flowers, weeds, yard trimmings, and small branches in your brown bin. Branches must not be larger than 6 inches in diameter and 3 feet in length. The lid must be closed.

DO NOT place the following in the yard bin:

- ✓ Plastic bags and film
- ✓ Animal waste
- ✓ Gravel, rocks or concrete
- ✓ Treated or painted wood
- ✓ Coated wood chips
- ✓ Food

Composting Operations

Yard and garden waste received from residential and commercial operations in the City of Tracy is taken to the Material Recovery Facility, where it is cleaned and ground up for composting. The composting process takes about 6 to 8 weeks. The finished organic compost is sold to public and private users who mix it with soil completing the "earth-to-earth" cycle.

Leaf Pick Up

Fall and Winter leaf pick up season typically begins the last week of November and continues through the first week of January. Only leaves may be placed at the curb for pickup. For more information, visit:

www.RecycleInsideTheTriangle.com or call (209) 831-6300.
