

**IMPORTANT MESSAGE:**

As the Holidays draw near, please remember to keep oil and grease out of your sinks and drains. Cooking oil and grease can clog your pipes and pipes owned by the City of Tracy.

Not protecting our sewer system can be very costly for both You and the City. Scrape all cooled fats and grease into the garbage and collect cooking oil for disposal at:

Tracy Materials Recovery: 30703 S MacArthur Dr.

Residents can drop off up to 5 gallons of cooking oil a month, FREE of charge.
