

Dates to Remember December & January

Leaf Pick-Up Begins

Tracy's annual leaf pick-up season began November 28th and will continue through the first week of January. For areas of Tracy with large mature trees and heavier quantities of leaves, residents are asked to rake their leaves curbside for weekly collection. Leaves must be piled curbside by 4 a.m. on your normal garbage collection day. Please keep gutters clear of leaves. Residents with small trees, and thus a smaller quantity of leaves, are asked to place leaves in the brown yard waste toter. The toter will continue to be collected every other week on your normal yard waste collection day.

Garbage, Recycling, & Yard Waste

Garbage, recycling, and yard waste **will not be collected** on Christmas day. Instead, collection will take place the following day for the remainder of the week.

Holiday Tree Recycling

Holiday trees will be picked up curbside beginning December 26th through the first week in January on your regular collection day. No flocking, tinsel, ornaments, nails, or stands.

Electronic Waste Events

Electronic Waste Events located at the City of Tracy, Boyd Service Center, 520 Tracy Blvd., Gate 1.

January 12, 2013	9:00am – 1:00pm
