CITY OF TRACY
PARKS & COMMUNITY SERVICES COMMISSION MEETING
October 5, 2017

AGENDA ITEM 6.a.

REQUEST

**ACCEPT AND APPROVE CHANGES TO THE 2018 CITY OF TRACY SPORTS FIELD
RESERVATION HANDBOOK**

EXECUTIVE SUMMARY

As part of an ongoing review process, staff has updated the City of Tracy Sports Field Reservation Handbook (Attachment A) for use in the upcoming calendar year and Annual Field Allocation Process. The Parks and Community Services Commission provided initial review and feedback to staff on the current Handbook draft at its September 7 regular meeting, prior to its presentation to the sports field user groups at the annual pre-allocation meetings. The Commission requested that staff return with additional information at its October 5 regular meeting.

DISCUSSION

The policy authority provided in the Tracy Municipal Code 7.16.030 (a) states that the Parks and Recreation Commission has the power to “establish rules and regulations governing the conduct of recreation programs, protection of property and activities of persons in all parks.”

The Sports Field Reservation Handbook establishes the guidelines for staff to allocate City-owned and operated sports fields to applicants on an annual allocation basis. The Handbook designates priority classification groups, in-season priority sports, and the Annual Field Allocation process and schedule, in addition to codifying rules and regulations for sports field rentals.

The Commission initially reviewed the Handbook and provided feedback to staff at its September 7 regular meeting. At that meeting, a representative from one of the sports field user groups addressed the Commission and requested that the Priority Classification system be modified to ensure Tracy residents from non-profit, private and commercial organizations receive scheduling priority over non-residents.

The current Priority Classification system prioritizes non-profit youth, non-profit adults, and then all other private and commercial organizations, as follows:

Field Allocation Priority Classification

Field allocations will be established based on the following priority classification groups:

- A. City-sponsored or co-sponsored events and programs, other governmental agencies, including City recreational programs or leagues*
- B. Non-profit youth organizations comprised of 80% Tracy Residents*
- C. Non-profit youth organization comprised of less than 80% Tracy Residents*
- D. Non-profit adult organizations comprised of 80% of Tracy Residents*
- E. Non-Profit adult organization comprised of less than 80% Tracy Residents*

- F. All other youth organizations. This includes for-profit organizations, tournaments, club teams, clinics and/or camps with individual or team participation fees.*
- G. All other adult organizations. This includes for-profit organizations, tournaments, club teams, clinics and/or camps with individual or team participation fees.*

A recent survey of nine other local agencies indicated that the majority of those agencies prioritize non-profit and for-profit resident youth and adult leagues over non-resident leagues when allocating sports fields. The consensus of sports field user groups that attended the Pre-Allocation Meetings on September 25 and 26 was in favor of moving forward with resident priority.

Staff recommends amendment of the Priority Classification system as follows:

Field Allocation Priority Classification

Field allocations will be established based on the following priority classification groups:

- A. City-sponsored or co-sponsored events and programs, including City recreational programs or leagues*
- B. Other governmental agencies*
- C. Organizations comprised of at least 80% Tracy residents*
 - 1. Youth non-profit*
 - 2. Youth commercial*
 - 3. Adult non-profit*
 - 4. Adult commercial*
- D. Organizations comprised of at least 80% Tracy residents*
 - 1. Youth non-profit*
 - 2. Youth commercial*
 - 3. Adult non-profit*
 - 4. Adult commercial*
- E. General public (private individuals)*

“Commercial” use shall be defined as “Any activity conducted in or on a City facility where monies are collected for the specific purpose to financially benefit an individual, business or organization, non-profit corporations excluded.” This definition was adopted by the Commission at its October 6, 2005 meeting, and staff recommends continuing with this definition and including it in the 2018 Handbook.

RECOMMENDATION

That the Parks and Community Services Commission accept and approve changes to the 2018 City of Tracy Sports Field Reservation Handbook.

Clean up of shells from seeds and nuts on fields or in dugouts shall be charged at the Maintenance Worker hourly rate. Reimbursement for such expenses may be deducted from the security deposit.

Equipment Storage

Items are not permitted to be left or locked to any of the City of Tracy property. The City of Tracy is in no way responsible for storing any items belonging to a renter unless said renter has paid a rental fee for storage space.

Facility Keys

No organization shall be in possession of City keys. Organizations found to be in possession of unreturned keys will be subject to disciplinary action up to and including permit revocation, effective immediately.

Field Lining – Soccer

Access to facilities to line fields must be scheduled in advance with the Community Services Division. *See also: Subdivision of Fields.*

The following conditions have been agreed upon by current soccer user groups for the lining of soccer fields and shall be enforced unless an alternative has been specifically approved in writing by the Director:

- Fields must be lined with approved athletic marking paint only.
 - Full-size (11v11) fields shall be marked in WHITE paint
- Modified fields shall be contained fully within a standard full-size field and shall be marked in BLUE or another color collectively agreed upon by the soccer user groups. All paint dispensers and buckets must be removed from the premises
- Paint shall not be dispensed into the storm drain
- Do not "over line" other prepared lines
- Fields cannot be lined before 3:00 pm on weekdays or when other teams are playing on fields.

Field Preparation Requests – Baseball/Softball

Requests to have City staff line and/or prep baseball/softball fields for games or tournaments must be received by 12:00 noon on the Wednesday prior to the reservation. Field maintenance personnel are not available unless previously requested. If field maintenance is requested, ample time must be provided between games for

servicing of the fields. Staggered start times for games are required to assure that your maintenance needs are met. Participants are not allowed on the fields until all prep work is complete and equipment is removed.

Food & Beverages

Please limit food and beverages that are brought in from outside at sports facilities. Items that are **not** permitted include: glass containers (TMC 4.16.180(r)), peanuts in shells, sunflower and other seeds in shells. A concessionaire provides food and beverage service at the Tracy Sports Complex, and *no outside food and drink* is permitted at that facility unless specifically designated in writing by City staff.

Field Maintenance

Field conditions are assessed based on both the short-term (Days/Weeks) and the long term (Months/Seasons) impacts to each field's playability. City staff will determine if the fields are open or closed. An annual rest and renovation of fields is scheduled at the Tracy Sports Complex and Placencia Fields, and Legacy Fields to maintain field sustainability. The City attempts to be flexible in accommodating user groups, but ultimately, the health and safety of the user and the conditions and playability takes priority. This may require the closure of fields or facilities, denial of use of a field, and/or making alternate sites available for use. No user groups shall use fields that are closed for renovation or repair.

Foot Protection

Metal cleats are not allowed during softball, baseball, or soccer play at the Tracy Sports Complex, with the exception of men's and women's fast pitch softball. This includes shoes with rounded spikes and detachable football cleats. Sandals, flip-flops, slippers, etc. are not allowed on the playing fields.

Garbage

The City of Tracy provides garbage cans and dumpster(s) at most sport field locations. All renters are responsible for cleaning up debris and trash on all fields and common areas following field use. Any trash left behind by the renter will be picked up by City Staff and labor costs will be deducted from the deposit.

Hours of Use

Soccer games may be scheduled Sunday through Saturday from 8:00 am until 10:00 pm. Fields may be accessed at 7:00 am for warm-ups, but games cannot begin until 8:00 am.

Softball and baseball games may be scheduled Sunday through Saturday from 9:00 am until 10:00 pm. Fields may be accessed upon completion of field preparations and approval of City staff, but games cannot begin before 9:00 am. Teams and players may not be on the field at any time during field preparations or maintenance.

Notice of Non-Use of Field

Field users must notify the Community Facilities Division to report any reserved time that can be released for general public use or to other groups. Continued non-use of a rented, permitted field may result in revocation of the permit of the allocated field.

Pets & Leashed Animals

Animals must be leashed at all times at City parks and sports fields. Animals may not access fields while games are in play. Dogs are subject to regulations of TMC 5.08.130. Owners are responsible for picking up after their animals while on/in parks, parkways, trails or other public areas.

Rainouts & Inclement Weather

In the case of active rain, all fields are closed during the time of actual rain; the fields are then reassessed once the rain has ceased. On occasion, on a non-rainy day, staff will determine a field to be closed based on excessive rains during the previous day(s), which have left conditions unsafe for use, even though the rain has stopped. Fields may be closed due to frost or other conditions that may damage the turf or playing surface. Play may be suspended due to excessive heat. **Weather/Field Condition Hotline: (209) 831-6350** (typically updated by 3 pm each day)

Subdivision of Fields

Soccer fields may be subdivided for players ages 12 and under (U12). All requests to subdivide fields must be submitted with the Facility Rental Application, and a diagram of the proposed field subdivision must be included. Staff will review the request and will come to a decision based on the impact of wear and tear of the fields. See also: **Field Lining – Soccer.**

Soccer user groups have collectively agreed on the following guidelines:

- 9v9 fields must run in the same direction as 11v11 fields
- 7v7 and smaller fields may run in the opposite direction as 11v11 fields

Subleasing of Fields

When permits are issued, a specific field(s) is reserved for the user, to the exclusion of others. Groups may not assign their scheduled time to other groups. Any such action will result in the loss of rental/allocation privileges. Recognizing this exclusivity, groups should only reserve the fields they intend to use.

Turf Management

To insure the long-term health of City turf and sports fields, the number of games/hours of use at each facility are limited on a seasonal and weekly basis. Without such limitations, the impact on these facilities can have a negative long-lasting effect on the sports fields.

In order to maintain playable fields, fields are limited to no more than 15 hours of field usage per week. In-season field closures may occur if staff determines fields have deteriorated due to wear and tear, or in cases of inclement weather, such as rain or frost. **In preparation for large tournaments, fields will be closed and not scheduled for use the entire week prior to the tournament.**

It is the responsibility of all field users to protect the turf from excessive wear and tear. Users should rotate locations of training and equipment, including but not limited to: ladders, cones, pitching practice, etc. Additionally, users shall not use fences, bleachers or other amenities as targets for practicing or warming up.

RULES OF CONDUCT

Alcohol Consumption/ Public Intoxication

The consumption of alcohol is not allowed in any City sports park or parking lot. As the renter, it is your responsibility to make sure that no alcohol is present during the time of your rental. Those who are witnessed consuming alcohol or who appear to be intoxicated will be asked to leave the premises. The Tracy Police Department may also be notified.

Cooperation with City Staff and Other Field Users

All teams must engage appropriately with staff and with one another, and not interfere with the use of fields by other user groups. Refusal to comply with City staff instructions may result in a directive to vacate the field. These actions will be documented in the renter's file, and may result in disciplinary action. Police enforcement will be called upon should any individuals or groups engage in verbal or physical violence.

Good Neighbor Policy

Please arrive quietly and depart in the same manner to avoid disrupting the neighborhood especially after the late games.

Balls and /or any other equipment thrown, batted, kicked, or otherwise propelled that land on private property are not to be retrieved without permission of property owner. Do not climb walls or enter gates to gain access onto private property. For assistance, contact the Facility Attendant.

Inappropriate Behavior

Any type of indecent exposure including public urination or any other inappropriate exposure will not be tolerated. Vulgarity of any kind including but not limited to foul or offensive language shall not be used during any time of the duration of the rental. The Tracy Police Department will be contacted immediately should individuals become unruly and further enforcement is needed.

Police Enforcement

If a renter refuses to comply with City Field Rental Policies or follow the request of a City staff member, the Tracy Police Department Dispatch will be notified for assistance. For your own convenience, in the case of an emergency, the Tracy Police Department Dispatch can be reached at (209) 831-4552.

SPECIAL PERMITS & REQUESTS

The following items may require approval from multiple City departments and require an advanced written request to process. Upon approval, City staff will add notes and issue a revised copy of your permit.

Audio/Visual Equipment

The City must be notified via the Tournament Application if the renter wishes to project sound or music from a loud speaker or stereo, have a DJ present at their event, or have lighting/visual media displayed at the event.

Barbecues

The use of barbecues is permitted at sport tournaments but must be requested in writing and added to the Facility Use Permit for all other park/field rentals. Barbecues must be in an approved designated area at least twenty feet from the nearest tent and supervised at all times to prevent injury to bystanders. Use of barbecues at the Tracy Sports Complex is only permitted in the picnic area located in the northwest corner of the complex.

Concessions & Merchandise Sales

The sale of items in any City park is prohibited without a permit from the Community Facilities Division. Users interested in selling merchandise items at a City park or facility, or food and beverage at facilities other than the Complex, must request authorization to do so in writing, obtain a permit from the Community Facilities Division, obtain a City of Tracy Business License (TMC 4.16.140), and obtain a product liability endorsement as part of the insurance certificate. Also see **Vendors**.

At the Tracy Sports Complex, a full service concession facility is on the premise with a contracted concessionaire available. The contracted concessionaire has first right of refusal for all events scheduled at the complex. No additional selling of any kind or providing of food and beverages within the Tracy Sports Complex perimeters during a rental or event is permitted without prior written consent of the City as well as a valid business license.

A sign will be provided at each entry gate listing these rules:

Fencing

If a renter would like to acquire additional fencing from an outside contractor, a written request and a drawn schematic showing the proposed placement of the fencing must be issued to the City for approval no later than 20 days prior to the event. Failure to notify the City of outside fencing services will result in the cancellation of the permit. Additional fencing may not be placed at the baseball/softball diamonds at the Tracy Sports Complex.

Gate Access

Access to the gated areas at Placencia Fields and Legacy Fields will be opened 15 minutes prior to permit start time, as a courtesy. Contact the Community Facilities staff for gate access at other times (storage access, etc.).

CONSIDERATION OF REQUEST TO NAME THE SIXTH STREET PLAZA AS FRONT STREET PLAZA, AND IF APPROVED, MAKE A RECOMMENDATION TO CITY COUNCIL FOR AN ALLOCATION OF \$1,500 FROM THE GENERAL FUND FOR THE DESIGN, FABRICATION AND INSTALLATION OF A BRASS PLAQUE MEASURING NO GREATER THAN 8"X10"

BACKGROUND

A recommendation to name the Six Street Plaza the Front Street Plaza has been recommended by the Tracy Historical Museum who will have member(s) present at the meeting to discuss the matter with the Commission.

<u>Park</u>	<u>Recommended Name</u>
Sixth Street Plaza	Front Street Plaza

DISCUSSION

All park facilities are named using the Council Park Naming Policy G-13, amended by City Council in December 2000, and again on September 11, 2017. On August 24, 2017, a single application was received by the Parks & Recreation department requesting that the Sixth Street Plaza, located at Sixth Street and Central Avenue, adjacent to the City of Tracy Transit Center, be renamed the Front Street Plaza. The request to rename the plaza is included for your review.

FISCAL IMPACT

An allocation of \$1,500 will be needed from the General Fund for the design, fabrication, and installation of a brass plaque measuring no greater than 8"x10".

RECOMMENDATION

Staff recommends the Parks and Community Services Commission consider the recommendation by the Tracy Historical Museum, and if approved, make a recommendation to City Council approval of the name and to authorize an allocation of \$1,500 from the General Fund for the design, fabrication, and installation of a brass plaque measuring no greater than 8"x10".

The Honorable Mayor Robert Rickman
Tracy City Council
333 City Center Plaza
Tracy, California 95376

Dear Sirs:

The West Side Pioneer Association/Tracy Historical Museum would like to make a recommendation to the Council and related entities for naming the downtown 6th Street area. Our Historic Landmark Committee recently met to consider such recommendations.

Keeping with the historic background of Tracy and the area in question, the committee unanimously decided the name to forward to you should be "Front Street Plaza." Front Street was the originally used name for what is now 6th Street, when the street 'fronted' on the rail lines. We feel that is the most appropriate designation for a truly historically part of our city.

Thank you for allowing the WSPA/Tracy Historical Museum to propose an option to this process.

Gratefully submitted,

John McVey
