CITY OF TRACY
PARKS AND COMMUNITY SERVICES COMMISSION MEETING
June 7, 2018

AGENDA ITEM 7.a

REQUEST

**REVIEW AND PROVIDE INPUT ON THE DESIGN FOR WILLIAM LARSEN PARK
PLAYGROUND RENOVATION PROJECT UNDER CIP 78157**

BACKGROUND

The City of Tracy has 75 parks totaling more than 353 acres. The parks within the City of Tracy play a key role in meeting one of the City's strategic priorities by enhancing the quality of life in our community. For Fiscal Year 17/18, \$250,000 is allocated under CIP 78157 to renovate the playground at William Larsen Park.

The playground identified above, is aging and in some cases is not compliant with new standards pursuant to the Americans with Disabilities Act (ADA), and as such is recommended for renovation.

DISCUSSION

Three playground equipment manufacturers submitted possible design ideas for the park renovation project. City staff was tasked with selecting the best designs that would provide the most play value while meeting safety standards and staying within budget.

Upon coordination with the Public Works and Parks & Recreation departments, and after careful consideration, we have determined that the playground designs proposed by Ross Recreation provide the highest level of play value while staying within budget and meeting our design criteria.

RECOMMENDATION

Staff recommends the Parks and Community Services Commission review and provide input on the design for the William Larsen Park Playground Renovation Project under CIP 78157.

CITY OF TRACY
PARKS AND COMMUNITY SERVICES COMMISSION MEETING
June 7, 2018

AGENDA ITEM 7.c

REQUEST

**REVIEW MULTI-GENERATIONAL RECREATION CENTER SURVEY RESULTS AND
PROVIDE RECOMMENDATION TO COUNCIL ON MULTI-GENERATIONAL
RECREATION CENTER AMENITIES**

BACKGROUND

In 2013, the City of Tracy adopted a new Parks Master Plan, which identified that the City of Tracy needed a new indoor multi-purpose recreation center to accommodate a variety of programs for all ages.

Since the adoption of the Parks Master Plan, the residents of Tracy have passed a general sales tax (Measure V) that allows for the funding of various projects including a new Multi-Generational Recreation Center.

DISCUSSION

On March 6, 2018 Council approved the Multi-Generational Recreation Center CIP 78178. City staff hired the Dahlin Group, Inc. to perform a needs analysis, community outreach, and conceptual plan for the Multi-Generational Recreation Center. As part of the initial step in the planning and development, City staff hired the Dahlin Group, Inc. to perform a needs analysis, community outreach, and conceptual design for the Multi-Generational Recreation Center.

Community Outreach

In order to get a better understanding of the needs of the current residents and stakeholders, there were multiple community outreach meetings held and a survey was distributed specifically about the proposed recreation center and the City's existing facilities and programs.

The community outreach included:

- Two public workshops
 - Transit Station
 - Special Parks Commission meeting (West High cafeteria)
 - This meeting included several basketball coaches and parents
- Four focus group and stakeholder meetings
 - Youth/teens
 - Youth Advisory Commission
 - Seniors
 - Held at the Lolly Hansen Senior Center
 - Educational Community
 - Tracy Unified School District
 - Notre Dame de Namur
 - City of Stockton Library staff
 - Parks and Recreation staff

- A survey distributed digitally via the web and social media and a print version made available at the meetings, the library, the senior center and at the farmers market
 - There were 323 responses

Although specific locations of the proposed recreation center were not discussed, Dahlin did seek feedback from participants to find out what they were interested in having nearby (parks, trails, shops, food, walking paths, etc.) and how they planned on getting to the center (car, bus, bike, walking, etc.).

Community Outreach Results

When totaling all community input, the library/educational center was the most demanded aspect of the Multi-Generational Center, followed by outdoor recreation facilities, a gymnasium, multi-purpose room and event space. In the library, the community would like to see a computer and technology space, group meeting rooms and lecture space. For recreation, the community preferred walking paths, outdoor basketball, a gymnasium with a minimum four basketball courts and an indoor track. Programming for seniors, adults, youth and teens were all equally popular. The community is supportive of the idea of having a place to go where everyone in the family would have something to do and enjoy.

RECOMMENDATION

Staff recommends the Parks and Community Services Commission review the Multi-Generational Recreation Center survey results and provide recommendations to City Council on the amenities to be included in the Center.

	Could we have one small, round table back. The center gave all of the small tables away. For cards when 6 people are playing we need a small round because we cannot reach across the longer ones. Playing on the small square tables really doesn't work.	Staff spoke with the participant and explained that the round tables had not been used in a long time. The tables that were removed were old and outdated. Staff will look into purchasing new small rounds.	Couple of times a week

Department: Parks & Recreation – Senior Division

Senior Concern	Recommendation	By When
Expansion of the Senior Center	The Senior Center has been allocated \$1.5 million with an additional \$777,728 CDBG Grants to provide renovation/expansion to the facility. Construction is estimated to begin in August 2018.	Approximately Spring 2019
More classes <ul style="list-style-type: none"> • Computer • Cooking • Technical 	Senior Center staff will look into finding a contractor or volunteer who is interested in teaching the suggested classes.	Ongoing
Senior Center newsletter	Senior Center staff currently offers an Activity Guide “quick sheet” that lists all of the current classes with events, trips and seminars on the back. Staff will look into the possibility of starting a newsletter.	Ongoing
ESL classes	Senior Center staff will look into finding a contractor or volunteer who is interested in teaching English as a Second Language class.	Ongoing
More parking at the Senior Center	Senior Center staff has been closely monitoring the East side parking lot and issuing “warnings” to non-Senior Center participants. This should help to make more parking spaces available.	Ongoing
More fitness classes later in the day	With the expansion of the Senior Center, staff will look into finding a contractor or volunteer who is interested in teaching afternoon fitness classes. The Senior Center currently offers 3 afternoon fitness classes; 30/30, Zumba Gold Toning and Zumba Gold.	Ongoing
Bring back the craft fair	Senior Center staff will survey participants to see if they would be interested in participating in a craft fair. In the past, Senior Center hosted a yearly craft fair for over 5 years.	Ongoing
Flea market	In the past, the Senior Center hosted Tracy Best Yard Sale downtown for 6 years. Senior Center staff can look into offering this event or a similar event again in the future.	Ongoing
Blanket volunteer program	The Senior Center craft participants have recently finished making bags that can be attached to walkers and wheelchairs. Senior Center staff can inquire if they are interested in starting a blanket project.	Ongoing

Fill in instructor for Hayat's (fitness) classes	Senior Center staff has tried to find instructors to fill Hayat's spot when she is out, however those instructor have not been interested.	Ongoing
New entertainment for the holiday show	Senior Center staff will look into other entertainment options for the Tinsel 'n Treats event.	By December 2018
More field trips	The Senior Center currently offers four trips a year. Staff will look into other transportations options such as ACE Train or TRACER to offer more affordable trips.	Ongoing
More events <ul style="list-style-type: none"> • Talent Show & • Super Bowl Party 	The Senior Center currently offers at least one special event every month. Staff will look into adding the suggested events.	Ongoing

****Parks Commission Updates: March, June, September & December****

Beginning September 19, 2014, the Lolly Hansen Senior Center began documenting comments/concerns that participants submitted. Over the past forty-one months, 159 seniors have submitted their comments/concerns. The staff at the Senior Center reviews each submission and then notifies each person of what steps will be taken (if needed). The seniors have had a positive response to the process and enjoy seeing comments/concerns being documented.

**Please note comments have been summarized and the original comment cards are available at the Senior Center.
