1/4/2019	Exercise, lunch and all were canceled today because of the Brunch event. Many of us did not know you were canceling it and came over here for nothing. My suggestion: Instead of canceling us out of our lunches and classes, please hold the lunches or events at a later time of day. Many times we come here, only to find out it is cancelled. Please do not cancel the lunches that come from the county.	Staff spoke with the participant and reminded her that in addition to posted signs, staff makes announcements to all classes affected by an event throughout the week. Staff also explained that participants that cannot afford to pay for an event are always accommodated however, staff will evaluate offering County lunch during events.	Weekly
