AGENDA ITEM 4.a.

REQUEST

PROVIDE AN UPDATE AND DISCUSS THE STATUS OF THE VAPING AWARENESS PROJECT

DISCUSSION

In order to meet Goal #2.A. "Implement at least one new community service project or activity focusing on teen trends or issues", the Youth Advisory Commission is hosting a vaping awareness booth at the local high schools. The goal was to host the project during National Volunteer Week, April 7th to April 13th, at the following four high schools: Tracy High, West High, Kimball High, and Millennium High. However, due to scheduling conflicts with the various schools, the vaping booth will be held throughout the month of April.

The subcommittee consisting of Commissioners Dhillon, Moshiri and J. Kaur will provide an update on the project. The Commission's responsibilities was to market the project and assist staff during their respective lunch period. The event took place during both lunches at the following high schools: West High School on Monday, April 15 and Kimball High School on Tuesday, April 16. Additionally, the booth will also be held at Tracy High School on Thursday, April 18 and Millennium High School on Monday, April 29.

RECOMMENDATION

That the Commission provide an update and discuss the status of the vaping awareness project.
